Harvey Luna

Operations Manager & Senior Program Specialist at Southern Methodist University | Center on Research & Evaluation
Dallas-Fort Worth Metroplex

Summary

Harvey Luna is the Operations Manager and Senior Program Specialist at the Center on Research and Evaluation (CORE) at Southern Methodist University. His focus is on data analytics, dashboard design, and reporting using Tableau. He is also interested in data-driven approaches that informs program evaluation and mixed methods research design.

Harvey obtained his Bachelor of Arts in Political Science and Bachelor of Science in Economics with Financial Applications from Southern Methodist University.

Experience

Southern Methodist University

11 years

Operations Manager

January 2022 - Present (4 years)

Dallas-Fort Worth Metroplex

Responsibilities include operational activities such as financial projections, contract processing, invoice management, staff budget allocations, and grant/funding proposals

Senior Program Specialist

January 2022 - Present (4 years)

Dallas-Fort Worth Metroplex

Responsibilities include leading evaluation projects involving client-relationship management, data collection, data management, reporting, and dashboard development.

Program Specialist

June 2018 - December 2021 (3 years 7 months)

Dallas/Fort Worth Area

- Manage program evaluation activities for the international public-private partnership for the teacher professional development program in the Galápagos Islands. This is a program developed by the Galapagos Conservancy in partnership with the Ecuadorian Ministry of Education, Scalesia Foundation, and subject-specific teacher experts from around the world. As part of the evaluation activities, I formulate data sharing and partnership agreements among multiple international institutions, and collect and analyze data from measurement tools for evaluation program purposes and related research.
- Conduct and structure focus groups and interviews, and analyze survey data for school leadership initiatives involving multiple independent schools in the Dallas-Ft. Worth area.
- Manage client invoicing accounts and provide financial analysis on the Center's financial standing.

Project Manager

February 2016 - May 2018 (2 years 4 months)

Dallas/Fort Worth Area

- Manage program evaluation activities for the international public-private partnership for the teacher professional development program in the Galápagos Islands. This is a program developed by the Galapagos Conservancy in partnership with the Ecuadorian Ministry of Education, Scalesia Foundation, and subject-specific teacher experts from around the world. As part of the evaluation activities, I formulate data sharing and partnership agreements among multiple international institutions, and collect and analyze data from measurement tools for evaluation program purposes and related research.
- Conduct and structure focus groups and interviews, and analyze survey data for school leadership initiatives involving multiple independent schools in the Dallas-Ft. Worth area.
- Collect observational data in Dallas Independent School District (DISD) Pre-Kindergarten classrooms as a certified Classroom Assessment Scoring System (CLASS) observer.

Data Analyst

July 2015 - February 2016 (8 months)

- Collect observational data in Dallas Independent School District (DISD) Pre-K classrooms as a certified Classroom Assessment Scoring System (CLASS) observer.
- Research, analyze, and visualize data for community indicator reports utilizing primary and secondary sources.

Executive Administrative Assistant

January 2015 - February 2016 (1 year 2 months)

- Manage the schedule, meetings, and (inter) national travel for the Executive Director.
- Coordinate discussion and planning for a team of representatives from the World Health Organization (WHO), Centers for Disease Control (CDC), George W. Bush Institute (GWBI), and Zambia's Ministry of Health, as part of a \$3.7 million grant-funded project.
- Coordinate events and implement marketing strategies, including the annual Global and Public Health Case Competition, which brings in several local non-profit organizations and SMU students to create policy impact in Dallas.
- Proof and review documents and presentations for leadership trainings, grant-funded studies, and academic courses.
- Supervise the Center's interns and ensure projects are completed efficiently.
- Create budget reports, process reimbursements, and fundraise.

Southern Methodist University | Office of Residence Life & Student Housing

Office Assistant

November 2011 - August 2014 (2 years 10 months)

- Researched and compiled benchmarking data that was utilized as university policy recommendations for new campus-wide housing initiatives.
- Produced marketing tools essential in promoting the image of new the residential commons system.
- Created logos and advertising material using several graphics design software.

Barnes & Noble College

Textbook Seller

November 2011 - May 2014 (2 years 7 months)

- Appointed to the company's Bookstore Innovation Group, offering analysis and recommendations of bookstore policies and outreach efforts.
- Improved and utilized communication and interpersonal skills through customer service.
- Trained new Textbook Seller employees on textbook operations and software.
- Handled publisher orders for faculty and student textbook orders.

United States Senate

Congressional Intern

June 2013 - July 2013 (2 months)

Washington D.C.

- Researched, assembled, and constructed numerous reports and memos regarding the housing and banking markets for Senator Mark Kirk and Senior Policy Advisor, Lindsey Johnson. This included providing data that was later used for line of questioning on the Senate Banking, Housing, and Urban Affairs Committee.
- Compiled research pertaining to reverse mortgage programs that may later be used in drafting legislation for reform in the housing market.
- Handled constituent requests including answering constituent calls and emails, providing tours around the Capital Hill, and organizing constituent coffee meetings with the senator.

Victory Fund & Institute

Congressional Intern

May 2013 - July 2013 (3 months)

Washington, D.C.

- Actively participated in leadership training centered on building communication skills, leadership skills, and professional development.

- Lobbied members of Congress, in conjunction with other non-profit organizations, on proposed legislation regarding immigration and employment discrimination.
